Our Mission

Cooley Dickinson's mission is to serve our patients and communities with exceptional, compassionate and personalized care. Consistently striving to be better, and do more, we stand apart today by offering high-quality care strengthened by our affiliation with Mass General Brigham, delivered with a caring, local approach. Our vision is to be among the nation's best community healthcare systems—for our patients and the communities we serve. Your support helps to ensure the best care possible for you, your friends, family, employees and neighbors.

Dear Friend,

Our community hospital truly touches all our lives in one way or another. Your community hospital needs your support to be there when you need it.

One way you can help your local hospital is by showing support through event sponsorship. The 36th Annual Golf FORE Health Tournament, being held on September 15th, 2025 is Cooley Dickinson's only major fundraising event, and this year's tournament proceeds will again fund the much needed campaign for the Cooley Dickinson Hospital Emergency Department. Your support will allow Cooley Dickinson Hospital to expand the ED and to expand to a future-oriented ED that meets the current needs so that they continue to provide you, your loved ones, and our community with the highest level of care.

For your convenience, this brochure includes the 2025 sponsorship information and registration forms. This tournament fills up quickly – please confirm your participation ASAP to ensure that your team slot is secured and that your business receives the full promotional recognition.

We are proud to co-chair this committee and hope that you will join us in supporting this very important project through sponsorship today. If you have any questions, please contact Jennifer Margolis, Cooley Dickinson Development Office at development@cooleydickinson.org or call 413-582-2256. We look forward to seeing you on the course!

With warm regards and thanks,

Pat Brough
Finck & Perras Insurance Agency, Inc.

Impact of your support: 2025 Golf FORE Health project

Transforming Emergency Care – The campaign for the new Cooley Dickinson Emergency Department.

Cooley Dickinson's Emergency Department is 40% undersized to meet the community's needs and cares for many patients who require critical medical attention. The number of patients visiting the department has grown from 17,000 annually in the 1970s to nearly 34,000 in recent years. For those patients, Emergency Department teams treat approximately 300 traumatic injuries per year; last year alone over 6,000 patients needed to be admitted for further care.

The current Emergency Department was not designed to face the challenges of the 21st century; it does not have the space to care for this many patients or to provide the specialized care our community needs.

With your support, Cooley Dickinson Hospital can design a new, future-oriented ED that centers on caring for you, your loved ones, and our community.

"When it comes down to it, Cooley Dickinson is our community's hospital. We buy local, we shop local, and we should give local, too. Having a strong hospital locally makes our entire community stronger."
–Carol Katz
